ABOUT

NARELLAN GO

With over 50 years experience manufacturing advanced fibreglass pools, we knew there had to be a better way to build an above-ground pool. From this ambition, our Narellan Go range was born.

Starting at \$41,038, a Narellan Go pool enables everyone to have a backyard swimming sanctuary with a convenient and affordable above-ground pools solution. Like a plunge pool in size and a container pool in shape in the sweltering summer, Narellan Go will offer hours of amusement, relaxation, and family enjoyment. After preparing the structured base, simply drop your pool into its desired spot, fill it with water, plug it into power and you're ready to go!

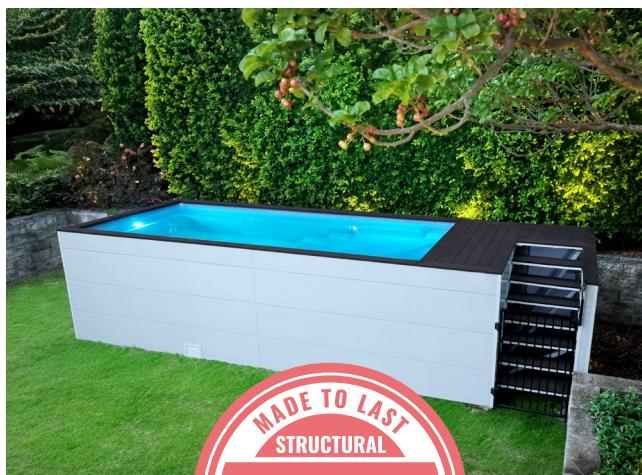

With a contemporary above-ground design and a variety of customisable options, including pool colours, deck colours and cladding colours, a Narellan Go above-ground pool effortlessly blends style with functionality.

■ Hand-crafted in New Zealand

Made to last and will NEVER rust, making it the better above ground pool!

■ 15 year structural warranty

Enjoy peace of mind and confidence in your investment for years to come!

Superior Quality

Made here in New Zealand by our local team with materials ensuring the upmost strength and longevity.

No need to worry about replacing fading or leaking liners or any rust or corrosion!

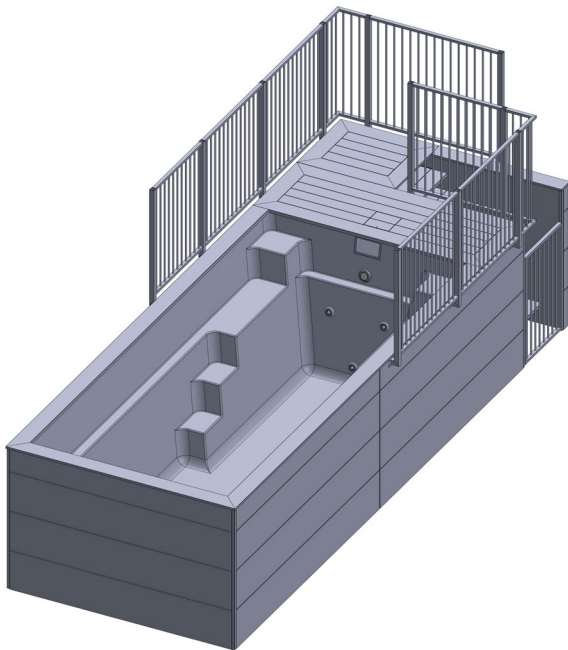

Architectural Look & Feel

With 180 different combinations of pool colours, deck colours and cladding colours available, create a pool that perfectly suits your taste.

No issues with the pool steps or ladder becoming unstable over time!

The Narellan Go range is perfect for those seeking a pool that won't take up too much space. A Narellan Go pool has the added benefit of being plug and play, so you can swim sooner. Perhaps services are stopping you from putting an inground pool in, Narellan Go above ground pool is a great option to consider.
